DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This two and one half story frame house is covered with German siding. The main portion is under a gable roof, and on the west is a two story wing. The front facade consists of two bays with round arched windows, plus a third bay in the wing, and a pointed arched window in the gable. A one story porch, supported by rectangular columns with a plain ballustrade between, extends across the front of the house. The house is in need of paint but otherwise appears to be in good condition.

SPECIFIC DATES

BUILDER/ARCHITECT

## STATEMENT OF SIGNIFICANCE

The upper story of this house, with its round arched windows and lancet window in the gable, is very similar to the upper story of the building occupied by Henry S. Devos, Jeweler, on Race Street. The pointed arch window reflects the influence of the Victorian Gothic style.
